

To Our Prospective Sponsors,

The Fossil Ridge High School Boys Soccer Team is gearing up for the 2022 Fall season. We rely heavily on the support of local businesses and individuals like you to help us offset the cost of our soccer program. Money raised is being used to offset the cost of items such as uniforms, equipment, and more! Please consider becoming a sponsor of FRHS Boys Soccer.

Sponsorship is an inexpensive way to advertise your company / or become the teams #1 FAN, while supporting a local high school team sport in our community.
